

## Letters to the Editor

### Suggests Colors for Uniform

Dear Sir:

The recent removal of the dress code has forced me to temporarily admire the administration . . . even though it has interfered with the U.S.'s plans to distribute school uniforms. The U.S. (short for Uniformed and/or uninformed students) was planning on passing out uniforms before Christmas in the new school colors, green and white. Green was chosen to replace red because of the former's pecuniary associations and the latter's decidedly Communist reputation. The U.S. is also considering scrapping the Red Devil, which has long been criticized as being sacrificial. It will probably be replaced by the White Businessman.

A new assembly on the Viet Nam war will take place sometime next month at HT. The guest speaker, whose name has not yet been announced, plans to try a new approach. A committee of eighteen Hinsdale students, composed mainly of cheerleaders and student council representatives, and their parents, will meet with the speaker before the assembly and tell him exactly what they would like him to say in his lecture.

The variety show may once again prove disastrous. Apparently the tryouts were very disappointing. One of the judges was overheard to say, "The lack of talent is discouraging. I wouldn't be surprised if some

kid just sat there and tuned a guitar for a few minutes. It would probably be an improvement over some of the stuff we've had to stomach."

Image, our literary magazine published annually, is still accepting manuscripts as well as pictorial contributions. I am taking space to mention it here because it is non-athletic and therefore doesn't receive too much attention over the P.A.

Rick Derer

Letters to the editor are welcomed and encouraged. All are submitted to editing and compression. As many responses will be printed as space allows. Please type or print clearly, and sign in black ink. Write early. Letters to the editor in the Courier Building.

### Kinney Says HT Means Money

Dear Sir,

As I read Rick Derer's letter in a past issue of your paper (Vol. 6, No. 4) I could not con-

ceal my joy as I read the words of one who presented my thoughts so well. I completely agree with Mr. Derer's suggestion concerning the mandatory wearing of a school uniform. However, I cannot think of any reason why he suggested red and white as the color of the uniforms.

I think a much better choice of colors should be one which will remind one of an important thing or event in Hinsdale's History to inspire school spirit. An unbreakable bind for the young freshman to be caught up in. Something all members of our community will consider.

After considering many combinations I hit upon the correct mix. Black and green. Why? Because black and green is the color of our money. And isn't money what Hinsdale really stands for?

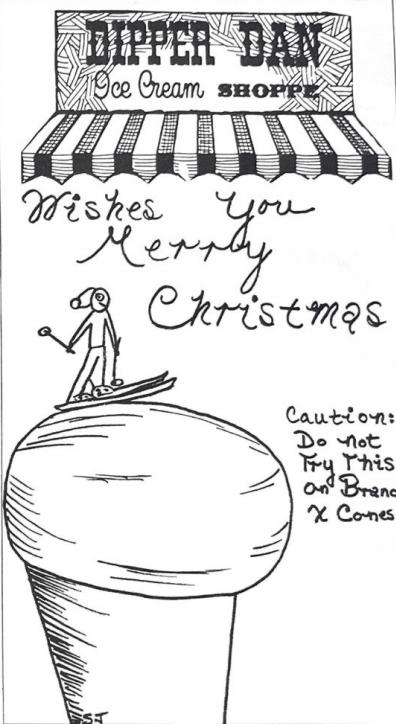

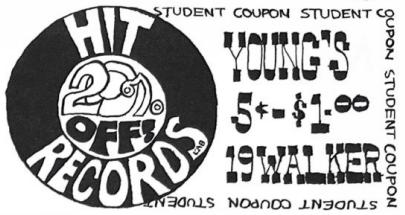

Will Kinney

Mrs. Marie Schramm wishes to thank Hinsdale students for their kind expressions of thoughtfulness, consideration, and sympathy which have made an unbearable situation more bearable.

# MERRY CHRISTMAS & HAPPY NEW YEAR

by Jeanne Hilts

Marshall Field and Co. has a traditional Santa Claus with a red velvet suit, long white whiskers and very red cheeks (probably from the heat). During an interview in Field's Oakbrook store, Santa Claus revealed some of his experiences at the unusual job.

He said that although children feel the same about Santa Claus as they did when he was young, these days the little boys mostly ask for racing cars and the little girls most often ask for dolls with hair that grows.

The children that come to visit Santa Claus at Marshall Field's in Oakbrook are generally around three or four years old. Most of the children older than this don't believe in Santa Claus any more.

The little girls and boys that come to see Santa are either very excited to see someone as famous as Santa Claus, or are terrified of the person hidden behind all of that beard. Some of the youngsters aren't frightened away, but are still very shy. Santa Claus usually tries to get the little ones to talk by asking them their names, hoping eventually to find out what they want for Christmas. Once one very timid little boy was so shy that he said his name was Santa Claus and that he lived in the North Pole.

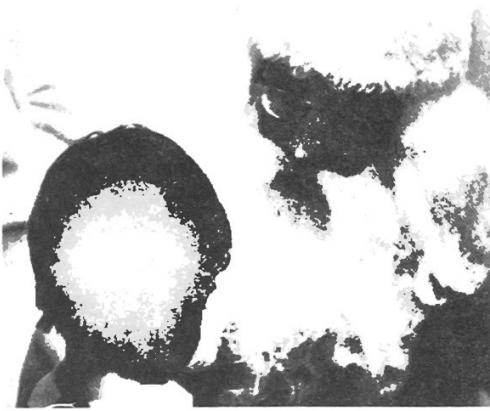

Sometimes the kids come up with pretty big orders to fill even for Santa Claus. One little boy told Santa that he must have a little brother for Christmas because he was the only boy on his street who didn't have one. Santa promised to do his best to get him a baby brother for Christmas.

While visions of sugar plums danced in their heads . . .

The Marshall Field's Santa Claus has had the job of Santa now for four years. He said that the most embarrassing thing that ever happened to him was when his mustache fell off while he was talking to a little boy. The boy was too young to realize what had happened, but his

mother was very disturbed. She felt it would affect him for life.

Santa sent a personal wish to everyone at Hinsdale Central for a nice and happy Christmas. His only advice was to "behave yourselves if you want to get your Christmas wish!"

# Sophomores Got the Fever

by Doug Newby

The Imps got off to a tremendous start in conference competition as they won their first three league games.

Coming out and hitting five straight shots against Proviso West on the opponent's court, they broke the game open in the first two minutes. Although their offense has been impressive, defense has become their trademark. The Imps only let Proviso score a mere ten points against them in the first half. The final score was 47-27 with Howdy Huff leading the team with fourteen points. Rebounding leaders that

game were Dave Smith and Jeff Payne, both with eleven.

Hinsdale barely pulled by Riverside-Brookfield in the next contest. Coach Huseth explained that, "We just came out flat." This was partly due to the fact starting guard Jim Flynn was out of the lineup because of illness. Also there was some tendency to be looking ahead to conference strength York the following night. Payne and Bill Alberti were the leading scorers with ten and eleven points, respectively, while Payne collected thirteen rebounds.

## Prepare for York

If the Imps were looking ahead

Sophomore Dave Smith fights for a rebound against Proviso West. The Imps have posted a 3-0 record in conference so far.

## Grapplers Hopeful for WSC

by Bill Poole

The varsity wrestling team has a 1-4 record so far. Last Friday the grapplers lost to the third in state Proviso East team.

The second in state 98 pounder Wendall Jones pinned Hinsdale's Herbert to start the meet. Bill Poole at 107 won 3-2. Both Bruce Naughton and Steve Adams lost on points. At 130 Bill Flyte won 9-5. Greg Hoerich and Ed Bassall lost, but Gordon Imrie pinned his man. At 165 John Elting beat his man 12-6. Hinsdale only won one of its last three matches. Perez won on points.

The next day Hinsdale lost to

### HT Soph Fish Beat New Trier and Thornridge

by Steve Brown

With the help of returning letterman; Roger Kodat, Russ Meyer, Greg Scott, and Tom Crema, the sophomore swimmers helped to back up the prediction that Hinsdale is headed for another big year in swimming. The sophs beat New Trier East 58 to 37 and the next day took Thornridge 66 to 29.

The NTE meet started off badly when Hinsdale lost the medley relay. This apparently made NTE overconfident thinking they could make a repeat performance of last year's meet against the sophs, who were then freshmen. Nonetheless, from there on, it was all downhill. Both meets, in coach Bob Hopkins words, were very easy for the sophs.

a tough Evergreen team 23-22. Herbert pinned his man. Bill Poole at 107 beat his man 14-4. Steve Adams at 123 tied at 2-2. Greg Hoerich won at 137, 6-1. Imrie and Elting both won on points to stay undefeated at 4-0. Bill Perez, the only other undefeated wrestler, won also.

Last weekend the grapplers lost to Reavis. At 107 Poole tied while at 123 Adams won. The wrestlers didn't win a match until 155 where Gordon Imrie and 165 Tiger Elting both won to stay undefeated. Dave Sparks tied his man. The meet ended Reavis 29, Hinsdale 13.

The sophs have split 2-2 in dual meets. They beat Aurora West and had a perfect meet against St. Joseph with everybody getting pins except the heavyweight where it was forfeited by both teams. The two meets they lost were against

Proviso East and Evergreen. They were winning both meets up to the heavyweight, but they have no heavyweight so they lost the meets. In the quadrangular Hinsdale sophs came in last. The only two champs of the quad were Karl Schoenberger at 145 and Brian Hansen at 175.

Jeff Kotteman who is out with mono has the best record at 2-0. Then comes Schoenberger, Ray Vogt, John Ledding and Hansen at 5-1.

Coach Bibby says "The team has potential." He thinks the team can finish high in the conference and hopes to have Kotteman back after Christmas.

## HT Fish Beat New Trier Kill Thornridge Saturday

During the first meet on Friday, December 5, against archrivals New Trier East, the Hinsdale varsity team amassed 70 points compared to New Trier's 25.

### Lambert Sets Mark

Leading Hinsdale to its 43rd consecutive dual-meet win and first victory of the season was double-event winner Mark Lambert. Lambert broke the New Trier pool record in the 200 yard freestyle by almost two seconds

with a time of 1:45.8 and took first place in the 100 yard butterfly in 54.1 seconds.

After preparing to meet New Trier for weeks, Hinsdale was pitted against Thornridge, one of the finer teams in the state, on Saturday, December 6. In spite of having to swim late the night before, Hinsdale registered its 44th consecutive dual-meet win and second victory of the season by defeating Thornridge 61-34 on the varsity level and 66-29 on the frosh-soph level.

## Win in Three Overtimes

# HT Outlasts York 68-67

by Tom Bonine

"Na na na na, hey hey hey, good-bye," echoed through three different gyms as HT swept its first three conference games. The Red Devils hold a share of first place along with La Grange with a record of 3-0. Their next contest will be on Dec. 19, against Maine East, after which they will travel to De Kalb for the holiday tournament.

Hinsdale opened conference play with a thrilling win over Proviso West. The first half saw both teams unable to gain any substantial lead and at the break HT held a 33-32 lead.

The second half saw much the

same thing until Doug Newby sank a pair of free throws to give HT a 55-49 lead. Proviso's Rich Hassett pumped in two and with the addition of a free throw the Panthers took a 56-55 lead. With three seconds left, junior guard Craig Bouchard banked in the winning layup giving the Devils a sizzling 57-56 win.

The Devils overwhelmed the R-B Bulldogs as the first half score tells, 40-26, Hinsdale. Led by Gary Rinck with 20 points, followed by Doug Newby and Rob Meyer with thirteen and twelve respectively, the Devils pushed the score up to 65-38 in the third quarter. Hinsdale went on to an easy 75-52 victory.

York fell next as it took three overtime periods to do it. The first half saw both teams trade baskets with the Dukes out in front 34-29, at the intermission.

York jumped off to an early eleven-point lead in the third quarter, but Hinsdale fought back to within six. The score stood 51-45, York, going into the

final period. The Devils tied it up at 56-56, with 4.27 left to go. Each team traded baskets and a last second shot by Hinsdale missed, sending the game into overtime.

Junior guard Tom Tillson gave HT the lead by sinking a 25 footer. York tied it up and sent the game into double-overtime. HT stalled for the greater part of the period until Doug Newby was fouled with three seconds remaining. Newby missed both shots keeping the score at 64-64 going into the third overtime period.

York sank a pair of free throws making it 66-64. Newby hit a four footer knotting it up at 66-66. York hit a layup and with a free throw on HT's part, York held a 68-67 lead. HT stalled the ball to the second mark and called time. Play resumed and, with four seconds remaining, senior Bill Carpenter fired in a 25 footer to give the Devils a breathless 69-68 win.

Bill Carpenter gets set for a rebound. Bill scored the winning basket with four seconds left against York.

photo by Bob Davies

## Runners Keep On Working in The Black Pit

Despite a popular rumor circulating throughout HT's hallways, it has been learned through an anonymous source that the Hinsdale cross country team, now known as the Hinsdale striders, is alive and well.

Dedication enables these harriers to face the unknown dangers of that dark, dreary black pit alias indoor track.

# COURIER Sports

## Gymnasts Hit in Conference

by Ed Slezak

This past week the Devil gymnasts have been quite busy scoring wins in four out of five meets. The two home meets on December 5 and 6, Hinsdale scored 135.65 to Thornton 82.44, and 143.70 to Rich East's score of 110.64.

501 Ogden  
964-2528

with a score of 139.5 to 81.9.

On Saturday night, eight Devil gymnasias competed in the Evanston Invitational against the top five teams in the state. Two men participated on each apparatus — one all-around man and one specialist, except on trampoline where two specialists competed. The team score was the composite of each performer's individual score.

Hinsdale placed second with 92.8 behind Evanston's score of 96.67. First places were posted by Carl Walin on horizontal bar with 8.35 and Ed Slezak on side horse with 8.5. George May placed second on trampoline with 7.45. Bill Bowles placed third on free exercise with a score of 7.85. Bob Anderson placed third on high bar with 7.85. On still rings, Gene Sievers placed fifth with a score of 7.1. Carl Walin placed second in the all-around event with an average of 6.75 for each event. Although Evanston won the meet, coach Canino stated, "Evanston has good individuals, but as a team, with our depth, we should surpass them."

The sophomore team scored victories in all four of their meets. The team, led by Ted Marcy, beat Thornton 56.9 to 27.3 and Rich East 65.3 to 38.6. On December 12 and 13, the sophomores defeated Barrington and Willowbrook 69.7 to 39.0 and 58.2 to 46.1, respectively. Against Rich East Ted Marcy scored an impressive 8.4 on side horse.
